

Baltic Photonics 2018: B2B Networking Event

Vilnius, October 17 – 18, 2018

The event aims to create a platform for annual meetings, networking and setting up partnerships for photonics sector professionals.

Up to 15 photonics business leaders from Baltic Sea region states are invited to present their new products with the aim to set up new partnerships, sharing competences, resources and market access for further development of the presented products. The invitees will also have the opportunity to visit prominent Lithuanian photonics research organisations and companies.

Draft programme

October 17th. Venue: State research institute Center for Physical Sciences and Technology (FTMC), Saulėtekio av. 3, Vilnius	
Registration and welcome coffee <i>Moderator Mr. Saulius Arelis, CEO Visoriai Information Technology Park (Lithuania)</i>	10:30
Collaboration opportunities: opening session <i>Vilnius University Laser Research Center "Naglis" (Lithuania) TBC</i>	11:00
New product development: presentations of products (10 min. each) <i>Center for Physical Sciences and Technology (Lithuania) TBC</i> <i>Light Conversion Ltd (Lithuania) TBC</i> <i>Lithuanian Laser Association (Lithuania) TBC</i>	11:20
Coffee break & Networking	12:00
New product development: presentations of products (10 min. each) <i>Altechna Ltd (Lithuania) TBD</i> <i>Optence e.V. Network, 3 companies (Germany) TBC</i> <i>Baltic Photonic Cluster (Estonia) TBC</i>	12:30
Lunch break & Networking	13:45
Company visits <i>Vilnius University Laser Research Center "Naglis", Sauletekio av. 10, Vilnius</i> <i>Light Conversion Ltd, Keramiku st. 2B, Vilnius</i>	14:30 15:45
Shuttle to the hotel	17:00
Networking event	19:00

October 18th. Venue: Visoriai Information Technology Park (VITP), Mokslininku 2A, Vilnius	
Keynote speaker <i>TBC</i>	9:00
New product development: presentations of products (10 min. each) <i>Optonas Ltd (Lithuania)</i> <i>Eksma Optics (Lithuania) TBC</i> <i>Optogama Ltd (Lithuania)</i> <i>Optoman Ltd (Lithuania)</i> <i>EKSPLA Ltd (Lithuania) TBD</i>	9:30
Coffee break & Networking	10:30
New product development: presentations of products (10 min. each) <i>More companies TBC</i>	11:00
Wrap-up discussion <i>Moderator Mr. Saulius Arelis, CEO Visoriai Information Technology Park (Lithuania)</i>	11:45
Lunch break	12:45
Company visits <i>Industrial laboratory for Photonic Technologies, Savanoriu av. 231, Vilnius</i> <i>EKSPLA Ltd, Savanoriu av. 237, Vilnius TBC</i>	13:30 15:00
Shuttle to the airport	16:00

Organiser: Agency for Science, Innovation and Technology, Lithuania.

Partners: Visoriai Information Technology Park, Lithuanian Laser Association, Baltic Photonic Cluster

Shuttles from the venue(s) to the hotel* and vice versa, and to the airport are organiser's responsibility.

*One hotel is to be suggested
